Air Planning for JV2020

Emerging Operational Concept

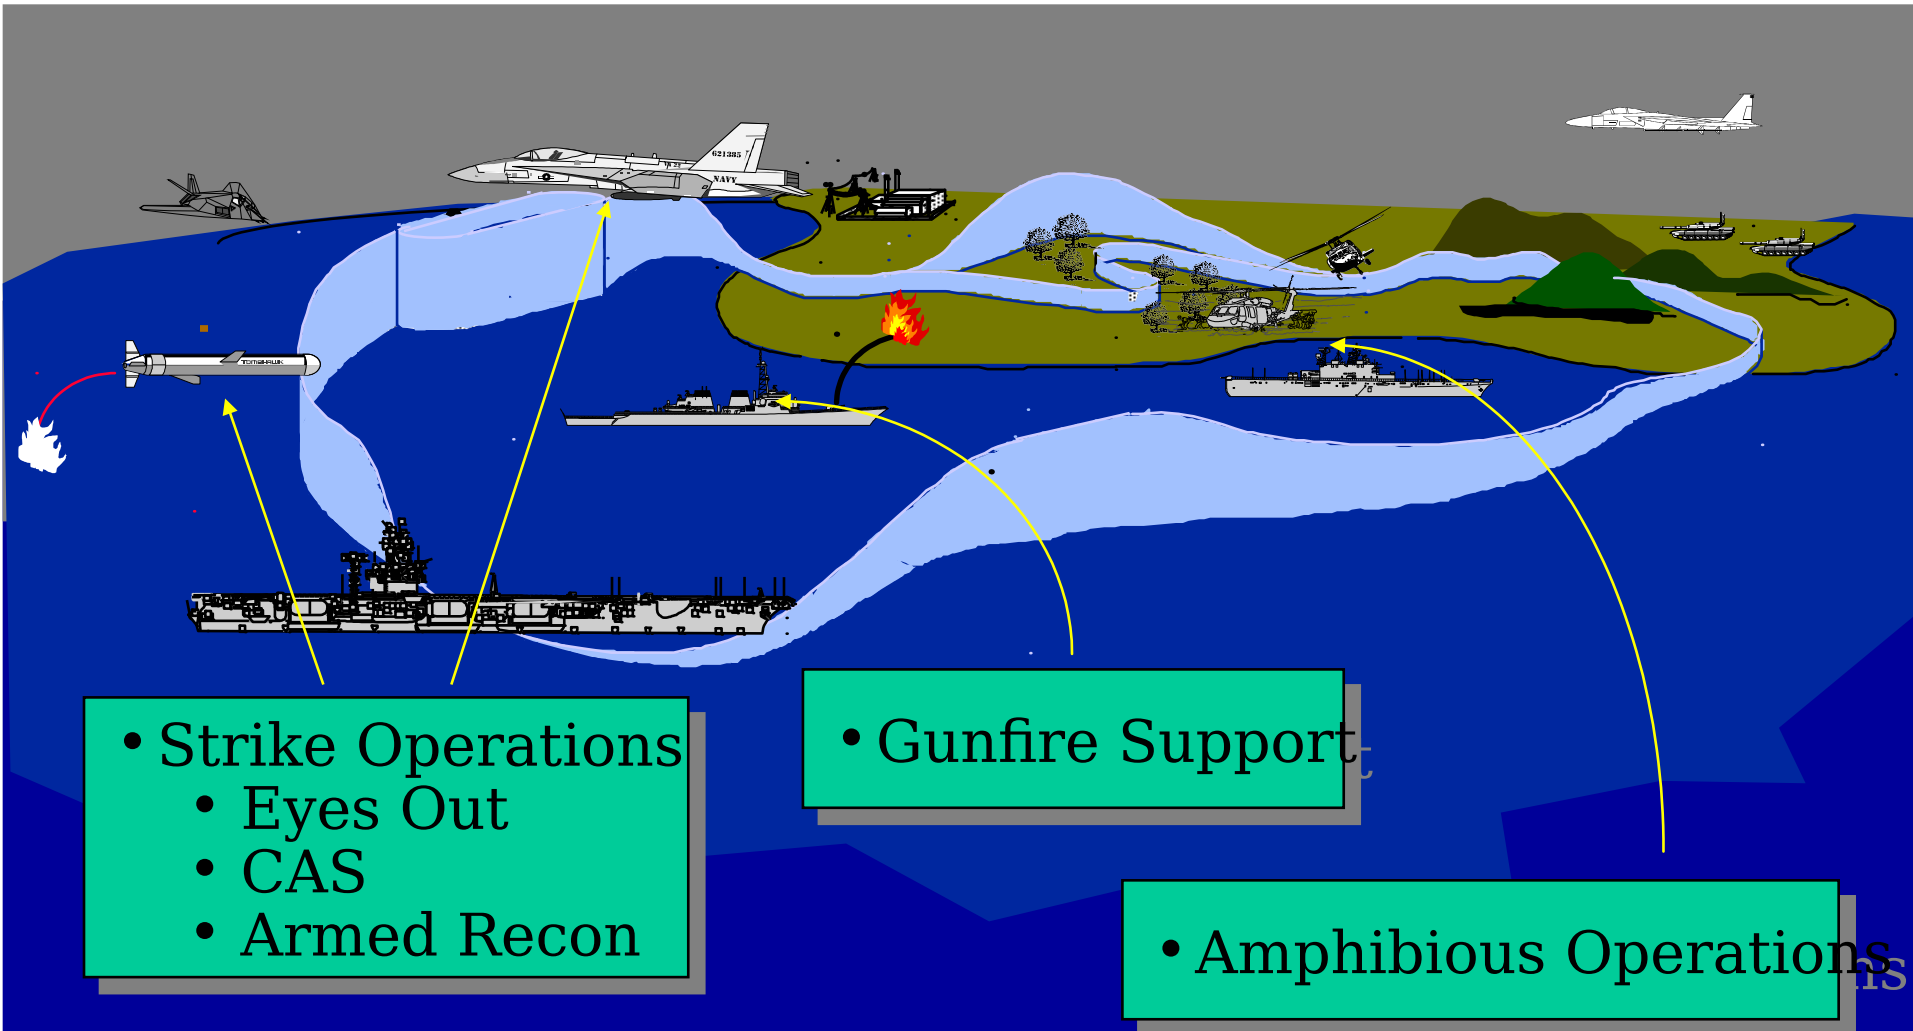

- **Dominant Maneuver**
- **Precision Engagement**
- **Focused Logistics**
- **Full-Dimensional Protection**
- **Joint Strike Fighter**
- **Expeditionary Ops**

JMPS will meet Joint Air Planning for JV2020

Seamless & Interoperable: Integrated Precision Strike

NavMPS Products support SEA POWER 21

IMPS Provides Connectivity

All CV and Amphibious Battle Groups

All Marine Corps Air and Ground Forces

To:

All Air Force Air Units

All Special Operations Forces

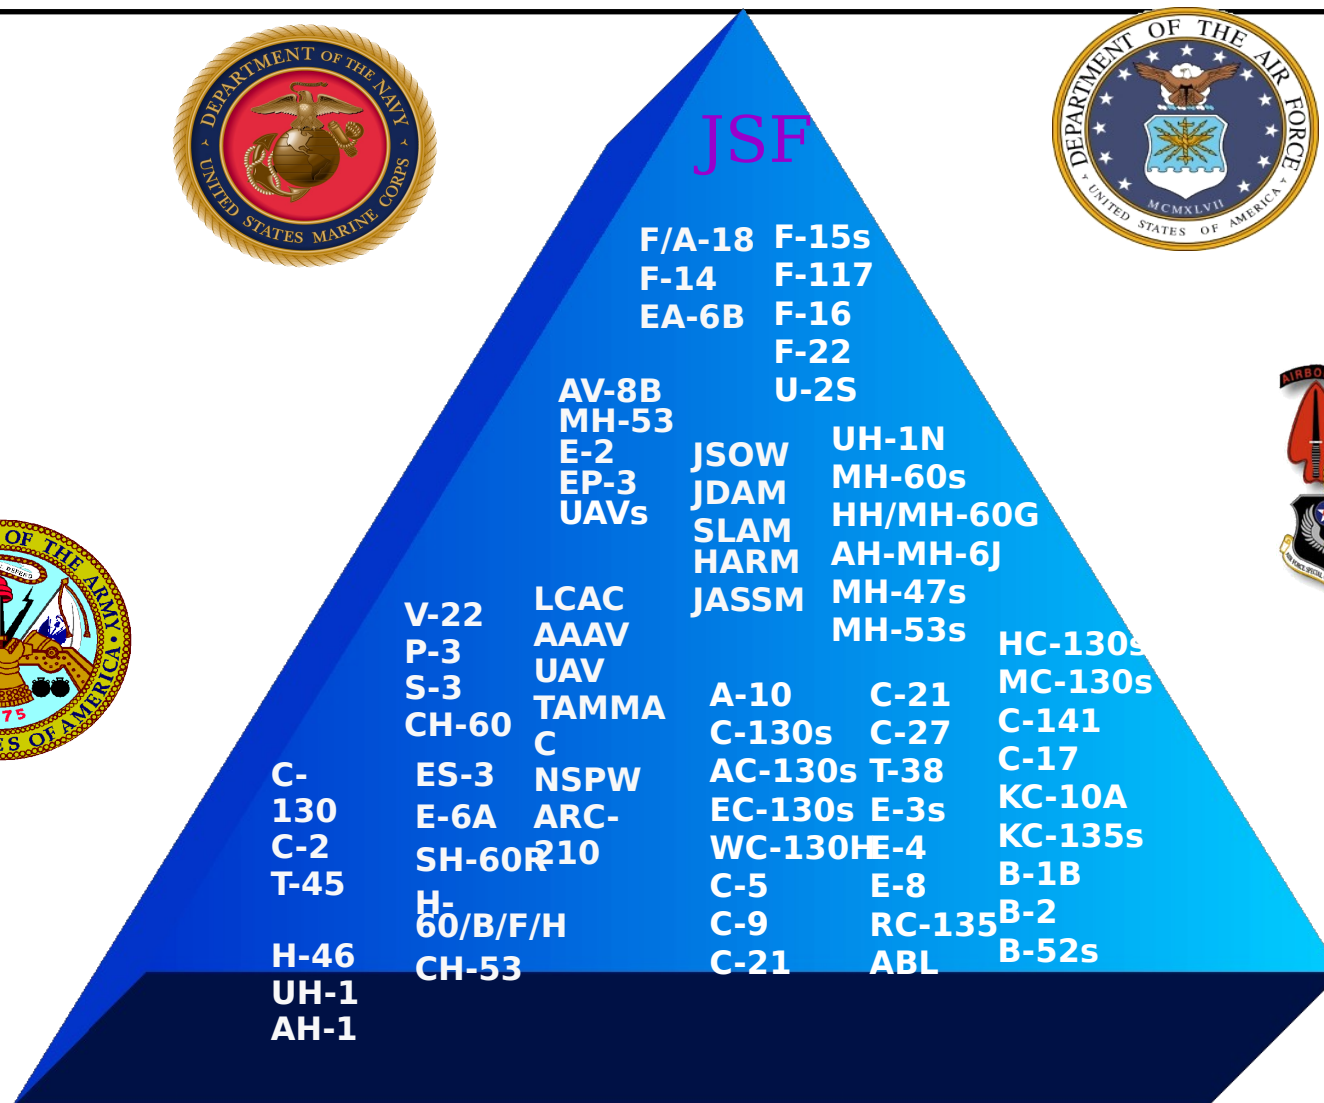

All Army Air and Ground Units

JMPS System Users

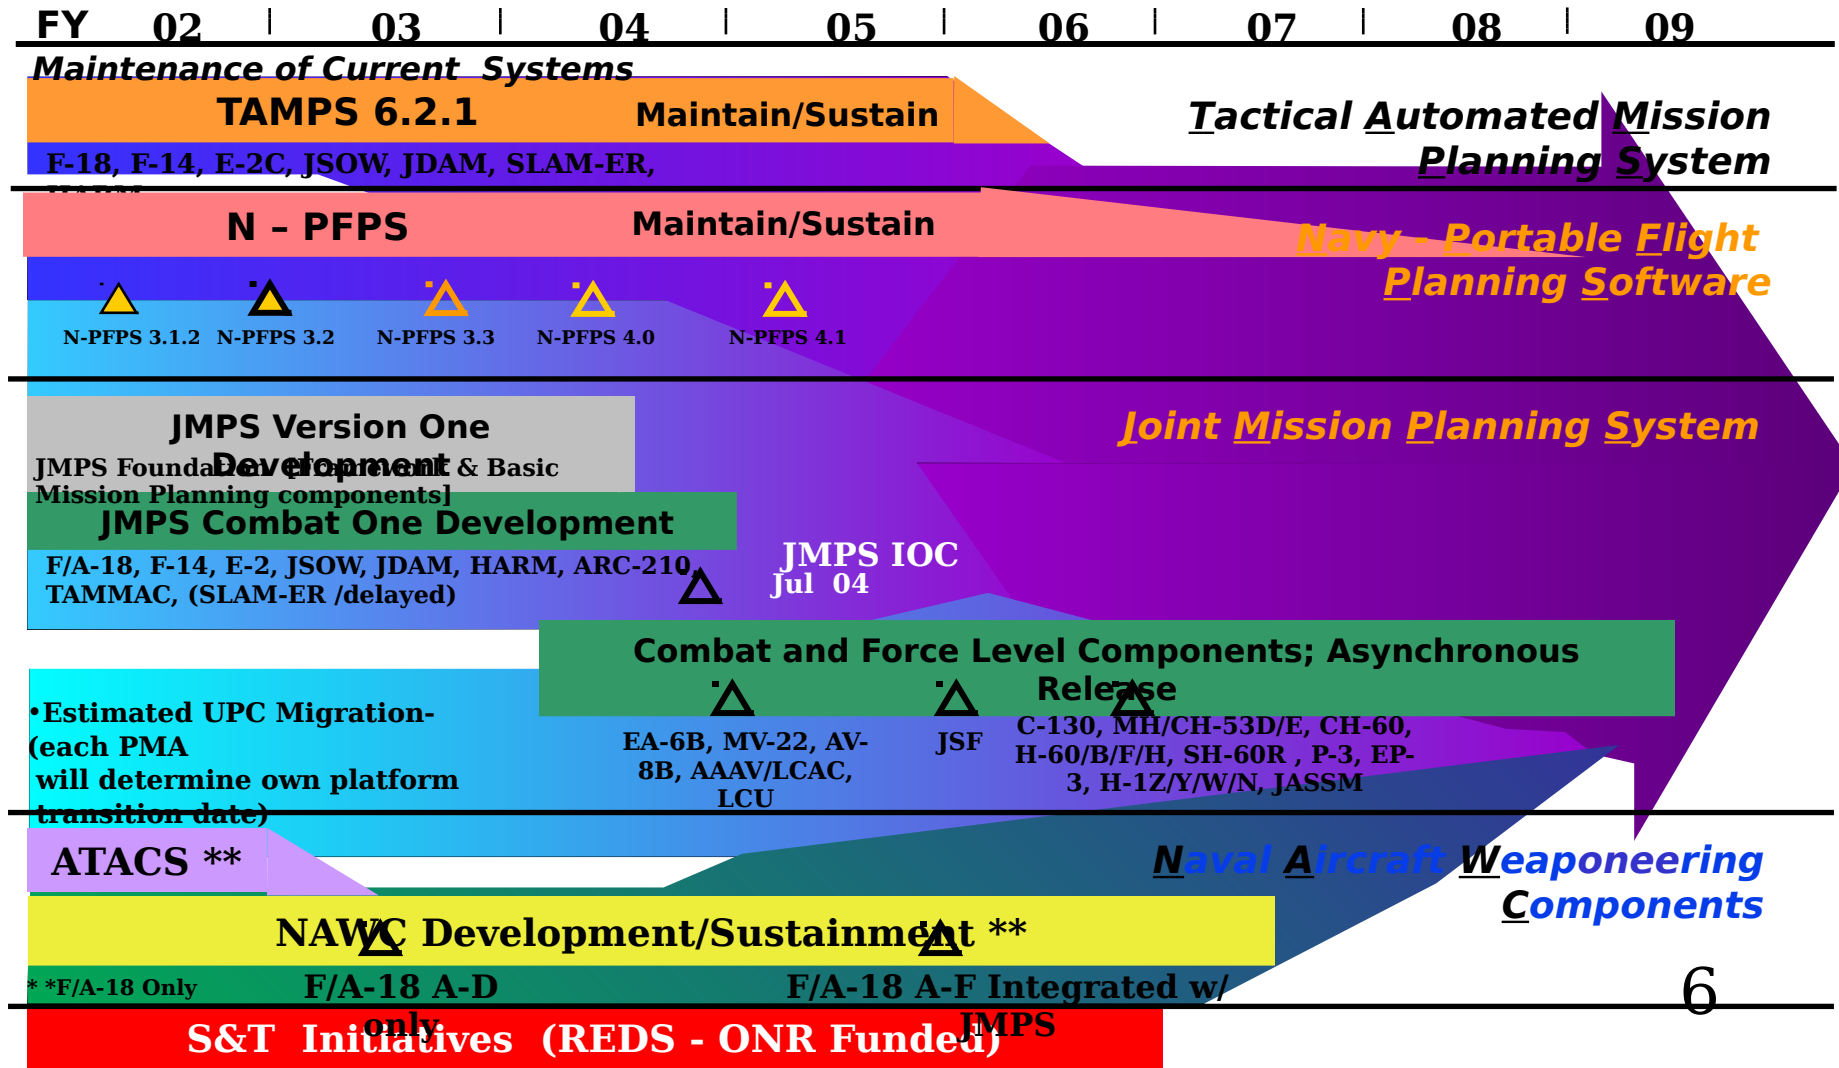

(Present and Future)

NavMPS Program Brief

Roadmap

Naval Mission Planning

If We Don't...

...They Can't

ating the Software That Makes the Missi

Mission Planning doesn't drop Precision Guided Munitions...

**...but we make it possible with
Aircraft Mission Planning
Weaponneering
GPS Crypto**

Mission Planning doesn't drop Precision Guided Munitions...

**Mission Planning...but we make it possible
Strike...**

**...but we make it better with
Improved Unit Level & Force Level
planning processes to support reduced
timelines**

Mission Planning doesn't drop Precision Guided Munitions...

**Mission Planning...but we make it possible
Strike...**

Mission Planning doesn't do Network Centric Warfare...

**...but we make it better with
Networked
Planners**

**JTIDS JNL loads
TAMMAC loads
ARC-210 loads**

Mission Planning...

***Without It
You Can't...***

Provides the Digital Fuel to Fly the Mission!

Naval Mission Planning

We don't do

Naval Aviation

We make
Naval

Aviation

BETTER

“Provides the Digital Fuel to Fly the Mission!”
